

# Looking for a **unique** and **creative** party idea?

Make your child's next party an event to remember. **Host a mask making workshop** for a birthday, slumber party, or just a weekend activity. It's perfect for girls and boys **ages 5 and up**. Children will be able to create their own paper masks using a variety of colorful and kid-friendly materials. Make a lion! A robot! A flower! Put on a play! Have a masquerade parade! The only limit is their imagination.

Your party includes use of all tools and materials (blank paper plate masks, paper, markers, safety scissors, glue, stickers, etc.), a brief overview of the crafting activity, and setup/cleanup. All you need to supply are an open area with a table (or tables) large enough for each child to have a spot to work and some chairs should children want to sit while creating their masks.

**Party rates: \$300.00** + CT sales tax for up to 10 children (supervision of at least one other adult is required). This price includes all travel and other expenses and **2 hours of party time** plus about half an hour setup/cleanup time. For parties of more than 10 children, there is an additional fee of \$25 per child. A **50% deposit** is required following confirmation of booked date, time, and location. Deposit will be refunded in full if any cancellation is made within two weeks of the scheduled party date. Only half of the deposit will be returned for cancellations made less than two weeks before scheduled party date.

## Schedule early to get the exact date and time you want!

Please call **203-257-7685** or email **kafergraphics@yahoo.com** to schedule a date and time, then fill out the form below and mail it with your deposit check to **Heather Dailey-Mezzacappa, 275 Johnson Avenue, Stratford, CT 06614**. If you prefer, you can also email your information to **kafergraphics@yahoo.com** and make a deposit payment through PayPal.
